We connect Liberian children to sponsors willing to invest resources in their educational pursuits.

We award educational scholarships to less fortunate children in Liberia through our *Operation: One educate One*

We help provide educational aid such as computers, science laboratory equipment, text books, and etc. to Liberian schools in order to improve the quality of education in Liberia.

The Ways You Can Help

Please help us by sharing in this vision. One way you can help is by telling your friends, co-workers, or family members about our noble cause. You can

also help by telling others about our vision and about this website.

Help us to spread the message. And remember that nobody can better love Liberia than Liberians themselves.

Please join our project:

"Operation One Educate One"

Your donation or support will help to secure the peace and stability of Liberia. Provide scholarships for needy Liberian children who have the desire of getting back in the classroom to learn but don't have the financial means.

Your donations will help to ensure

- ⇒ Help with renovating schools and other educational infrastructure that were damaged during the Liberian civil war.
- ⇒ Improve the quality of education in Liberia.
- ⇒ Help to sensitive Liberians on the importance of education to national reconstruction in Liberia.

What you can contribute:

- ⇒ Monetary donations are always welcome.
- ⇒ Used or New Textbooks (all grade levels).
- ⇒ Science lab equipment such as, microscope, chemistry, physics, and biology lab equipment.
- ⇒ Teaching aids such as charts, posters, and etc.
- ⇒ Pencils, pens, erasers, copybooks, copy papers, etc.
- ⇒ Used or new computers, software, printers, scanners, digital camera, and etc.

Fact:

On the average, the cost of educating a child in most public and private high schools ranges from between \$50 to \$100 per year. This ranges about \$5 to \$9 a month.

Established on the belief that "*an educated Liberia makes a better Liberia*", **Educate**

Liberia Foundation is dedicated to improving the lives of disadvantaged children in post war Liberia by providing educational sponsorships to children who do not have the financial means of going to school.

Educate Liberia Foundation strongly believes that when children are educated, they are empowered to utilize their full potentials by becoming productive to society. By providing educational opportunities for Liberian children, we are helping the reconstruction process of a country coming out of 14 years of civil war.

For the past 9 years, Educate Liberia Foundation have been working quietly behind the scenes by providing scholarships to needy children in Liberia and supporting institutions of learning to achieve a better standard of education by providing lacking teaching aids. It is our hope that you share our excitement and vision. With your continued compassion and generosity, we can succeed in this life-changing work.

OUR GOALS AND OBJECTIVES

In the pursuit of our goals, **Educate Liberia Foundation** is strongly committed to the following:

Developing informative and communicative strategies that stress the importance of education for national reconstruction in post war Liberia.

- ◆ Generating funds through solicitation from donors to help provide educational scholarships for Liberian children victimized by the war (orphans, child soldiers).
- ◆ Helping to provide educational grants to help broaden teaching and learning capabilities.
- ◆ Raising community awareness and support to improve the quality of education in Liberia (comparative to modern standards) because "*a little learning is a dangerous thing.*"
- ◆ Helping to renovate damaged educational infrastructures such as libraries, science labs, gymnasiums, recreational park, and etc.
